

SureReceipts: Deliver any document to any recipient, in full compliance with the new disclosure rules

Many lenders and AMCs aren't yet compliant with the new disclosure rules. Mercury Network's SureReceipts lets you get compliant immediately, while also saving you valuable time and drastically lowering your costs. **It's a free service for Mercury Network customers, and only 50¢ for others.**

With SureReceipts:

- Send any document to any recipient you wish, securely and in compliance
- Automatically gather all the mandated acknowledgements from your recipient for compliance
- Automatically record the full audit trail, so you can prove compliance later if needed
- Reduce your expenses since you won't be preparing and mailing expensive certified packets
